If **you** buy a **policy** from **us**, the cover **you** choose will be shown on **your policy schedule**.

Your contract with **us** is made up of the PDS together with **your** most recent **policy schedule**. However, some sections of this PDS do not form part of **your** insurance contract. Where this is the case, it will be clearly indicated in the relevant section.

Any terms in this PDS that are in bold have a defined meaning. Refer to the What Do These Words Mean? section to obtain the full meaning of these terms.

Please read all the information in this PDS and **your policy schedule** carefully and contact **us** if **you** have any questions. If any special conditions apply to **your** cover, they will be listed on **your policy schedule**.

You can ask **us** for a confirmation of a transaction relating to **your policy** or any claim by calling **us** on 13 YOUI (9684); for example, **you** can ask **us** to confirm the payment of an **excess**.

Cooling off period

The cooling off period is the first 20 calendar days from:

- the **policy** start date (if **you** change the start date, the cooling off period applies from the original start date); or
- the renewal date.

Cancelling your policy

You may cancel **your policy** at any time during the cooling off period and **we** will refund **your** payment in full and waive the cancellation fee. This does not apply if a claim has been made under **your policy**.

You may cancel **your policy** at any time after the cooling off period and **we** will refund the unused pro-rata portion of **your** premium.

To cover **our** administrative costs, a cancellation fee of \$30.00 inclusive of GST will be deducted from any premium refund **we** give **you** if **you** cancel **your policy** after the cooling off period but before the end of the **contract period**.

The cancellation fee will not apply if:

- at the time of cancellation, **you** replace the cancelled **policy** with another motorcycle policy with **us**;
- the **policy** was cancelled by **us**; or
- **we** are no longer able to continue to provide cover due to a change in **your** circumstances; for example, emigration out of Australia.

To cancel **your policy**, **you** can call **us** on 13 YOUI (9684) or submit a cancellation request by logging into **your policy** using the Login button on **our** website; **we** may call **you** to confirm **your** request.

If **we** cancel **your policy** due to **you** not fulfilling **your** responsibilities or as permitted by law, **we** will give **you** 3 business days written notice of the cancellation. If **we** cancel **your policy**, **we** will refund to **you** the unused pro-rata portion of **your** premium.

If **you** are paying **your** premium by instalments and any payment remains unpaid for a period of 1 calendar month or more, **we** can cancel **your policy** without giving **you** prior notice of cancellation.

Premium

When **you** buy a **policy** from **us** or renew **your policy** with **us**, **you** will be told the premium payable. The total amount **you** need to pay and the due date for **your** annual or periodic premium instalment/s will be shown on **your policy schedule**.

We decide how much to charge **you** based on commercial considerations and other factors that **we** consider important; including:

- the make, model and age of the **motorcycle** and what it is **used** for;
- the address and security of where **you** normally park the **motorcycle**;
- the age, driving and **riding** experience, and claims history of any proposed **rider**;
- the level of cover **you** choose;
- any optional covers added to **your policy**;
- **your** basic **excess**;
- **your** choice of payment frequency;
- **your** payment history with **us**;
- **your** previous insurance and claims history;
- the cost of claims and reinsurance **we** have paid and expect to pay; and
- **your** previous premium (when renewing **your policy**). This can be used to moderate premium movements.

The information **we** use to assess these factors can come from the questions **we** ask **you**, **our** internal data and relevant externally sourced data such as industry pricing guides.

The premium is also affected by **our** administration costs, taxes and government charges.

Any changes to **your policy** can result in premium changes, which will be noted in the amended **policy schedule** **we** send to **you**.

Goods and Services Tax

All insured amounts shown in **your policy** are in Australian Dollars and include Goods and Services Tax (GST). When **you** claim under **your policy** with **us**, all amounts **we** pay will be inclusive of GST up to the maximum claim amount shown in **your policy**. If **you** are registered for GST purposes, **we** will reduce any claimed amounts paid to **you** by the appropriate input tax credit percentage that **you** have told **us** **you** are entitled to claim from the Australian Taxation Office.

Fees and government charges

In addition to the premium there are compulsory government taxes and charges which apply to **our** insurance products, which include GST and insurance (stamp) duty. In some cases, **we** may also charge a state emergency services levy.

These charges, levies and any other fees will be included in **your** quotation and on **your policy** documents.

Discounts and special offers

We may introduce offers and discounts from time to time. The applicable terms and conditions, and eligibility criteria, will be available on **our** website at www.youi.com.au. Where an offer or discount is applied to a **policy** which is subsequently renewed, the offers and/or discounts will no longer apply if they have been amended or discontinued.

When answering our questions

Under Australian insurance law, **you** have a duty to take reasonable care not to make a misrepresentation when answering **our** questions. This means that when getting a quote, or buying or amending a policy, **you** need to answer **our** questions accurately and completely.

This duty applies in the same way to someone answering **our** questions on **your** behalf, as well as anyone else who answers **our** questions and is to be covered by this **policy**.

If **our** questions are not answered accurately and completely, **we** may reduce or not pay a claim, cancel **your policy** or treat it as if it never existed.

If **we** send **you** a renewal invitation, **you** also need to check if all the information on it is accurate and complete.

Authorised persons on your policy

If **you** have an authorised person noted on **your policy**, they have the same authority as **you** to purchase, amend, cancel, and claim on **your policy**. When answering any of **our** questions, the authorised person is deemed to have the appropriate authority and knowledge to do so.

You can add or remove an authorised person at any time by telling **us** and providing their details, which will allow **us** to confirm their identity when they contact **us** on **your** behalf.

Your responsibilities

Your responsibilities are important requirements that **you** must fulfil.

1. Check your policy schedule

Read and check **your policy schedule** carefully to ensure the information on it is accurate and up to date. If any information is inaccurate or incomplete, please make all necessary changes immediately by calling 13 YOUI (9684). Any updates may result in a change in premium.

2. Notify us of changes

During **your contract period** **you** must notify **us** as soon as practically possible if:

- **you** or anyone covered under this **policy** have been charged with or convicted of any criminal act relating to fraud, theft, dishonesty, arson, wilful damage or malicious damage;
- **you** have had another insurer cancel or refuse to renew any other insurance policy;
- **you** or any **listed rider** has **your** (or their) licence cancelled, suspended, disqualified or restricted;
- **your** interest in the **insured property** changes, such as if **you** sell **your motorcycle**;
- there is any other insurance covering the risk or some of the risks covered by this **policy**;
- **you** need to change the **insured value** for **your motorcycle**;
- **you** need to change the **regular rider** or any **listed riders** for **your motorcycle**;

Notify us of changes (cont.)

During **your contract period** **you** must notify **us** as soon as practically possible if: **(cont.)**

- **you** change the location of overnight or daytime parking for **your motorcycle**;
- **you** change the usage of **your motorcycle**; or
- there are changes to the physical appearance of **your motorcycle**; such as if the **motorcycle** sustains damage and **you** need to claim, or **you** add or change any **accessories** or **modifications**.

When **you** notify **us** about any of the above matters, **we** will assess the change to the risk in accordance with **our** underwriting rules and processes and there may be a change in the **excesses**, premium and/or special conditions applied to **your policy**. In some cases it will mean **we** can no longer insure **you** and **we** will cancel **your policy** and refund the unused portion of the premium.

If **you** do not contact **us** when **you** need to, **you** may not be covered under **your policy** and it may lead **us** to reduce or refuse to pay a claim and/or cancel **your policy**.

3. Make your premium payment/s

You must ensure that **your** first and any subsequent instalment premium payments are made by the due dates. **You** are responsible for paying any outstanding premium if **we** settle **your** claim. If any payment remains unpaid for a period of 1 calendar month or more, **we** can cancel **your policy** without giving **you** prior notice.

4. Provide proof of ownership

In the event of a claim, if requested, **you** must provide adequate proof of value and ownership of any **insured property** for which **you** claim; for example, registration documents, finance agreements, tax invoices and receipts, and bank statements.

5. Maintain a valid email address and phone number

We will only send **your policy** documents and information to **you** by email. **You** must provide **us** with and maintain a valid email address and phone number that **you** have regular access to and that **we** can reach **you** on. **You** must notify **us** of any change to **your** email address or phone number during the course of the **contract period**.

Maintain a valid email address and phone number (cont.)

If **you** do not maintain or notify **us** of a change to **your** email address or phone number, **we** cannot continue to insure **you** and this means **we** may need to cancel **your policy**.

6. Keep the motorcycle and trailer in a good and safe condition

Keep the **motorcycle** and **motorcycle trailer** in a well maintained and safe operating condition, and **roadworthy** if it is a **registered motorcycle** or **motorcycle trailer**. This includes servicing the **motorcycle** and **motorcycle trailer** as required by the manufacturer, replacing worn out tyres or brakes, and fixing any defective lights.

The **motorcycle** or **motorcycle trailer** may no longer be **roadworthy** or in a safe operating condition immediately after an **incident**. It is important that **you** do not **ride** the **motorcycle** or tow the **motorcycle trailer** after an **incident** if it is no longer **roadworthy** or safe to do so.

If **you** do not meet this responsibility, **we** can reduce or refuse **your** claim or cancel **your policy** as permitted by law.

7. Take reasonable precautions

You must take all reasonable precautions to prevent or reduce loss or damage relating to any **insured property**, even after an **incident** covered by **your policy**; for example, moving the **motorcycle** to a safe location in the event of a **flood** or **storm** where it is safe to do so, and not leaving **riding gear** unattended and unsecured.

If **you** do not take reasonable precautions, **we** can reduce or refuse **your** claim, or cancel **your policy** as permitted by law.

8. Notify us of incidents

You must notify **us** of any **incidents** covered by **your policy** involving the **insured property** as soon as it is practically possible. Any further loss or damage to the **insured property** that arises because of **your** delay in reporting the **incident** will not be covered.

Notify us of incidents (cont.)

When **you** notify **us** of an **incident** covered by **your policy**, the following information will assist **us** with processing **your** claim:

- the location, date and time of the **incident**;
- a description of the circumstances surrounding the **incident**; and
- the full name, address and phone number of any **third party**, their driver's licence number, and the registration number of their vehicle that was involved in the **incident**.

9. Treat our people with respect

You, any authorised persons and anyone covered on **your policy** must not use threatening or inappropriate conduct during **your** interactions with **us** and **our** representatives. If this requirement is not met, **we** can cancel any **policy you** have with **us** and, where relevant, **we** can remove **you** as an authorised person from any other Youi policy.

Renewing your policy

Before **your policy** expires, **we** will review **your policy**, premium, payment/s and claim/s. **We** will send **you** a notice to remind **you** of the date and time **your policy** expires and advise **you** of the terms on which **we** will renew **your policy** or advise **you** that **we** will not renew **your policy**.

When **we** renew **your policy**, **we** may choose not to offer optional covers.

If **you** have **agreed value** cover, **we** will review **your insured value** as part of **your** renewal notice and the updated amount will be noted on **your policy schedule**.

You must check all the information recorded in the renewal notice and tell **us** immediately if any of it is inaccurate or incomplete. This includes any changes that have occurred during the term of **your policy**; for example, changes to the **insured property**, the address where the **insured property** is kept, and the people covered by **your policy**.

Any changes to the information in the renewal notice may cause **us** to change **our** decision to offer renewal of **your policy** or the terms on which **we** offer such renewal. If **you** do not tell **us**, **we** may reduce or not pay a claim, cancel **your policy** or treat it as if it never existed.

To make changes to any of **your** details, please call **us** on 13 YOUI (9684) before the renewal date shown on **your** renewal notice.

If **we** send **you** a renewal notice, please read it carefully. **We** will normally automatically renew **your policy** on the terms specified in that notice, which may not include optional covers that appeared in **your** expiring **policy**. **We** will normally continue to debit the applicable premium from the payment account **you** gave **us**, unless **you** call **us** on 13 YOUI (9684) and ask **us** not to renew **your policy**. Alternatively, **you** can ask **us** to opt **you** out of automatic renewal of **your policy**. If **you** send **us** a written request to cancel this automatic renewal, **we** will call **you** to ensure **your** interests and privacy are protected and to verify **your** request.

Financial Claims Scheme

If **we** were unable to meet **our** obligations under **your policy**, a person entitled to claim under insurance cover under **your policy** may be entitled to payment under the Financial Claims Scheme, access to which is subject to eligibility criteria.

Information about the Financial Claims Scheme can be obtained from www.fcs.gov.au.

Code of Practice

We are a signatory to the General Insurance Code of Practice (the Code). The Code sets standards for insurers that cover buying insurance, making a claim, customers experiencing financial hardship, complaints, and customers experiencing vulnerability. **We** encourage **you** to tell **us** if **you** are experiencing vulnerability, so that **we** can best assist **you**.

The Code Governance Committee is an independent body which monitors and enforces the Code and has powers to impose sanctions on Code subscribers for non-compliance.

Should **you** require more information or a copy of the Code, go to www.insurancecouncil.com.au/cop or contact **us**.

As part of the Code and **our** commitment to **you**, if **you** are not completely happy with this product or **our** service, please tell **us** about it (refer to the Complaints section).

The Code does not form part of **your** contract of insurance.

What if you need to claim?

Immediately following an **incident**, always make sure that **you** and others at the scene are safe. Call 000 if necessary; for example, if someone has been injured and requires medical attention.

To make a claim, call **us** on 13 YOUI (9684) or go to www.youi.com.au/claiming.

When **you** claim, it can only relate to one **incident** and **you** cannot include multiple **incidents** in one claim. If there is more than one **incident**, a separate claim will need to be submitted and the relevant **excess/es** will apply to each and every claim.

To understand **your** claim better, **we** may need to appoint an investigator to speak with **you**. If this occurs, **we** will contact **you** and supply **you**, in writing, the name and contact details of **our** investigator. **We** will explain the investigation process to **you** and always provide avenues for **you** to bring up any concerns **you** have with the investigation.

We will take into account section 54 of the Insurance Contracts Act 1984 (Cth) when **we** assess any claim made under this **policy**. In summary, section 54 of the Insurance Contracts Act 1984 (Cth) prevents **us** from refusing a claim because of something the policyholder or some other person has done, or not done, after the **policy** was entered into, unless that thing caused or contributed to the loss. But **we** can reduce the claim by an amount that fairly represents its prejudice as a result of the thing that was done or not done.

Authorised persons on your claim

If **you** have an authorised person noted on **your** claim, they have the same authority as **you** to manage the claim, provide information about the claim, and resolve the claim. **We** may still ask **you** to confirm important information about the claim.

You can add or remove an authorised person at any time by telling **us** and providing their details, which will allow **us** to confirm their identity when they contact **us** on **your** behalf.

Responsibilities when you make a claim

These responsibilities must be fulfilled when a claim is made; if they are not, **we** can reduce or refuse **your** claim.

1. Allow **us** to view any damaged goods or property that **you** are claiming for. Do not repair, sell or dispose of any property prior to advising **us** of the damage and allowing **us** the opportunity to assess the damage. This includes providing **us** the opportunity to assess unsatisfactory repairs that need to be rectified, unless emergency repairs are required to prevent further loss or damage to the **insured property**.
2. Make a report to the police as soon as becoming aware of the **incident** covered by **your policy** or after being requested by **us**, and obtain an incident number from them if:
 - any **insured property** was lost or subject to theft, attempted theft, or malicious or intentional damage; or
 - the law requires **you** to do so.
3. Do not **leave the scene of an accident without lawful excuse**. This includes any **accident** which caused personal injury or where public or private property was damaged.
4. Do not admit liability or fault, nor offer to pay for any damages caused by any **incident** covered by **your policy**.
5. Send **us** copies of any demand or claim **you** receive, as soon as practically possible, arising out of any **incident** covered by **your policy**.
6. Advise **us** if **you** are aware that any person is charged by the police in relation to the **incident** that **you** are claiming for.
7. Notify **us** if **you** have any other policy of insurance, warranty or guarantee which provides cover or indemnity for a claim **you** have made under **your policy**.
8. Assist **us** in taking or defending legal action in **your** name, including providing statements to legal representatives and appearance at trial or any other court proceedings.

9. **You**, any authorised person, a **listed rider**, and any person who was **riding** the **motorcycle** with **your** or a **listed rider's** permission at the time of the **incident** that **you** are claiming for, must give **us** full co-operation and comply with all **our** requests in relation to **your** claim; for example:
- allowing **us** to complete repairs or replacements to the **insured property** as soon as practically possible. Additional costs that arise because **you** or anyone acting on **your** behalf delays **us** in completing repairs or replacements, such as not allowing **us** access to the **insured property**, will not be covered unless those delays were outside of **your** or their control;
 - supplying all information to the best of your knowledge, completely and honestly about:
 - the **incident** giving rise to the claim; and
 - you and anyone else covered under this **policy**;
 - providing assistance needed to recover **our** costs from other parties;
 - promptly providing any information, written statements, evidence and help **we** may need in defending, prosecuting and investigating the claim. Such information includes:
 - phone and banking records;
 - a copy of the **rider's** driving and riding history from the local transport bureau; and
 - a copy of your insurance claims history from your previous insurers;
 - attending an interview with **our** assessor or investigator;
 - assisting any agents appointed by **us**, such as solicitors; and
 - attending court to give evidence.
10. Tell **us** each and every time when **you** submit a claim under **your policy** if **you** are registered for GST at the Australian Taxation Office, and the percentage of input tax credit that **you** are entitled to claim.
11. Complete all repairs or replacements to the **insured property** as soon as practically possible if **we** settle **your** claim by paying **you**. Additional costs that arise because of delays in completing repairs or replacements will not be covered unless those delays were outside of **your** control or that of anyone acting on **your** behalf.

How we settle your claim

The most **we** will pay is either the **agreed value** or the **market value** noted on **your policy schedule**, plus any applicable amounts under the Extra Cover section, and any additional amounts under any optional covers which have been added to **your policy**.

The settlement options below only apply where **you** hold cover for the relevant **insured property** under **your policy**.

1. If the motorcycle or motorcycle trailer is repairable

If the **motorcycle** or **motorcycle trailer** is not a **total loss**, **we** will choose a suitable repairer and arrange to repair or replace the damaged parts of **your motorcycle** or **motorcycle trailer**.

The circumstances in which **we** may be unable to repair the **motorcycle** or **motorcycle trailer** include:

- if parts needed for the repair are not readily available;
- if the pre-**incident** condition of the **motorcycle** or **motorcycle trailer** prevents **us** from repairing it; for example, a previous write off; or
- if there is not a suitable repairer available; for example, due to location, capability or if the repair will take a significant amount of time.

If **we** cannot repair the **motorcycle** or **motorcycle trailer**, **we** will pay **you** the reasonable cost **you** would incur to repair the damage up to the limits noted in **your policy**. **We** will undertake a search of the market to determine what this cost would be in **your** area.

We can use a combination of the above settlement methods if **we** are able to partially repair the **motorcycle** or **motorcycle trailer**.

2. If the motorcycle or motorcycle trailer is a total loss

If the **motorcycle** is a **total loss**, **we** will pay **you** the **market value** or **agreed value** of the **motorcycle**, depending on the cover shown on **your policy schedule**.

If the **motorcycle trailer** is a **total loss**, **we** will pay **you** the lesser of the **market value** of the **motorcycle trailer** or \$5,000.

The **market value** is determined by **our** qualified assessors **using** industry pricing guides; taking into account the make, model, age and condition of the **insured property**, and the mileage of the **motorcycle**.

If the motorcycle or motorcycle trailer is a total loss (cont.)

If the **motorcycle** qualifies for New Motorcycle Replacement, **your** claim will be settled under that cover.

Once **we** pay a claim for a **total loss** of the **motorcycle**, **your policy** comes to an end and all cover stops. This is because **we** will have fulfilled **our** contract to **you** by making this payment.

3. If you are claiming for accessories and modifications

For agreed value policies

The **agreed value** of the **motorcycle** includes the value of any **accessories** and **modifications**.

For market value policies

The **market value** of the **motorcycle** includes an allowance for **accessories** and **modifications** up to the amount noted on **your policy schedule** for Accessories and Modifications.

If the **motorcycle** is a **total loss**, **we** take into account available market examples of motorcycles that have the same or similar **accessories** and **modifications** when determining the **market value** of the **motorcycle**.

If the **motorcycle** is not a **total loss**, the most **we** will pay to repair or replace the **accessories** and **modifications** is the amount noted on **your policy schedule** for Accessories and Modifications.

How we settle your claim for accessories and modifications

If the **motorcycle** is a **total loss**, **we** will settle a claim for the **accessories** and **modifications** by paying **you** the **agreed value** or **market value** of the **motorcycle**.

If the **motorcycle** is not a **total loss**, if **we** can, **we** will settle a claim for the **accessories** and **modifications** by:

- repairing the **accessories** and **modifications** if it is both possible and economical for **us** to repair because the cost of repair is less than the cost of replacement; or
- replacing the **accessories** and **modifications** if it is either not possible or not economical for **us** to repair because the cost of repair is more than the cost of replacement.

If you are claiming for accessories and modifications (cont.)

How we settle your claim for accessories and modifications (cont.)

If **we** cannot repair or replace the **accessories** and **modifications**, **we** will pay **you** an amount equal to the reasonable cost that **you** would incur to repair or replace the **accessories** and **modifications** up to the amount specified on **your policy**. **We** will undertake a search of the market to determine what this cost would be in **your** area.

The circumstances in which **we** may be unable to repair or replace the **accessories** and **modifications** include:

- if parts needed for the repair are not readily available;
- if the **accessories** and **modifications** being replaced are not readily available;
- if the pre-incident condition of the **accessories** and **modifications** prevents **us** from repairing them;
- if the repair will take a significant amount of time; for example, due to availability of service providers;
- if **you** have a **market value policy** and the cost of repair or replacement of the **accessories** and **modifications** exceeds the amount noted on **your policy schedule** for Accessories and Modifications; or
- if the **motorcycle** is a **total loss**.

For New Motorcycle Replacement

If **we** replace the **motorcycle** under New Motorcycle Replacement cover, (where applicable) **we** will replace the **accessories** and **modifications** if **we** can. If **we** cannot replace the **accessories** and **modifications**, (where applicable) **we** will pay **you** an amount equal to the reasonable cost that **you** would incur to replace the **accessories** and **modifications** up to the amount specified on **your policy**.

4. Contribution to repairs

There may be instances where **we** are unable to carry out repairs due to the condition of the **motorcycle** or **motorcycle trailer** prior to the **incident** that **you** are claiming for; such as due to neglect, wear and tear, weathering, rust, mould, mildew, or damage from a previous **accident**.

In these instances, **we** will ask **you** to contribute by paying the reasonable cost of repairing the pre-incident condition so that the repairs covered by **your policy** can be carried out.

Contribution to repairs (cont.)

If **you** choose not to repair the pre-**incident** condition, **we** will be unable to carry out the repairs. Therefore, **we** will pay **you** an amount equal to the reasonable cost **you** would incur to repair the damage to the **motorcycle** or **motorcycle trailer** caused by the **incident**, up to the limits noted in **your policy**, had the pre-**incident** damage or condition been repaired.

5. How we do repairs

If **your** claim is accepted and the damaged **motorcycle** or **motorcycle trailer** can be repaired by **us**, **we** will arrange for these repairs to be undertaken by a suitable repairer.

Parts used in repair

Where **we** authorise repairs, a combination of original manufacturer, used or other fit for purpose replacement parts can be used.

If a part is unavailable in Australia, **we** will pay the cost of surface freight (not air freight) from the nearest source of supply. **We** will not pay for any additional hire car costs beyond the cover provided by **your policy**.

Motorcycle identification

Where the **motorcycle's** identification (such as its compliance, build or VIN plate) has been damaged, **we** will try to source a replacement from its manufacturer.

If **we** cannot source it, **we** will attempt to obtain a letter from the manufacturer to confirm the **motorcycle's** identity and that its original identification has been damaged.

We will still repair the **motorcycle** without replacing any damaged identification unless an alternative form of identification is required by law.

6. New motorcycle replacement

If the **motorcycle** is a **total loss** and:

- **you** or a **listed rider** purchased the **motorcycle** new or as a demonstrator motorcycle from a licensed motorcycle dealer;
- the **incident** occurred within 24 months of the **motorcycle** being first documented as owned or **registered**; and
- a new motorcycle of a make, model and specification as close as possible to the insured one is available within 6 months of **us** deciding **your motorcycle** is a **total loss**;

we will pay to replace the **motorcycle** with a new motorcycle.

New motorcycle replacement (cont.)

If **you** choose not to accept the replacement motorcycle or an agreement cannot be reached between **us** and **you** on a suitable replacement motorcycle, **we** will settle **your** claim under the If the Motorcycle or Motorcycle Trailer is a Total Loss section.

7. Salvage

The property **you** claim for becomes **our** legal property when **we** settle **your** claim:

- for the full **insured value**, including (where applicable) the unexpired portion of the registration fees and Compulsory Third Party insurance premiums of the **motorcycle** and **motorcycle trailer**; or
- by replacing or paying for parts, including undamaged parts that form part of any pair or set, the parts being replaced become **our** property.

8. Our right of recovery

After **we** pay a claim under this **policy**, **we** can decide to commence or defend legal action in **your** name to recover money from the person or entity that caused loss, damage or liability. **You** must give **us** all the help **we** need to do this; for example, answering any relevant questions **we** ask. If **we** recover money that belongs to **you** and was not part of the claim **we** paid, **we** will give this to **you**.

9. Rights of a financier

For any payment **we** make to settle **your** claim, **we** may first pay in full any sum owed to a financier of the **insured property** from the settlement amount. If **we** do this, any remaining balance will be paid to **you**.

Quality Guarantee

Where **we** arrange, authorise and pay a service provider for repairs, for as long as **you** or a **listed rider** own the **insured property**, **we** will guarantee the quality of the repairs. The guarantee includes the rectification of any defects caused by poor workmanship, or faulty materials, related to these repairs.

The guarantee does not apply to:

- general wear and tear or deterioration;
- any part of the claim where **we** pay **you** to repair, rebuild or replace; or
- any repairs **you** have arranged and/or paid for.

Excess

For each and every claim **you** make under **your policy** **you** are required to pay an **excess**. **Your excess** will be the combined total of the basic **excess** amount and any other applicable **excess**.

When a claim is made for the same **incident** on more than one Youi policy, only one **excess** will need to be paid if the policyholder is the same legal entity or person, or is their spouse or defacto partner. The **incident** must arise out of a single event which occurs at the same address and time. The single **excess** payable is the highest **excess** amount noted on the relevant policies.

Where the **incident** is completely the fault of a **third party** and **you** can provide their full name and two of either their phone number, address, driver's licence number, or the registration number of their vehicle that was involved in the **incident**, **we** will waive payment of any **excesses**.

1. Basic excess

The basic **excess** is the amount **you** must pay in relation to each and every claim made under **your policy**. **We** may offer **you** the option of selecting the amount of **your** basic **excess** when **you** purchase or amend **your policy**. The basic **excess** will be shown on **your policy schedule**.

2. Reduced basic excess for windshield claims

We may offer **you** the opportunity to choose to pay extra premium to reduce the basic **excess** that applies to claims that solely involve **your** windshield. The **excess** that will apply to windshield claims will be shown on **your policy schedule**.

contents

guide

section

3. Additional excess

We may require an additional **excess** to be paid in certain circumstances under **your policy**. The exact situations where this would apply, and the amount of the additional **excess**, will be shown on **your policy schedule**.

In the event of a claim being made under circumstances as detailed on **your policy**, this **excess** would apply in addition to any other **excesses** that would normally apply to the claim.

4. Unlisted rider excess

If **we** accept **your** claim for an **incident** covered by **your policy** where the **motorcycle** was **ridden** with **your** or a **listed rider's** permission by any other person not shown on **your policy schedule** as a **listed rider**, an additional unlisted **rider excess** becomes payable. The amount of this **excess** will be shown on **your policy schedule**.

This **excess** amount will be added to any other **excess** amount that may apply to the claim. This **excess** will not apply when the **motorcycle** is being **ridden** by a service provider with the appropriate liability cover.

For some **motorcycles**, **we** may restrict cover to the **listed riders** only. In such circumstances, the Unlisted Rider Excess will not apply if the **rider** at the time of the **incident** is not shown on the **policy schedule** as a **listed rider**, as there would instead be no cover at all for such a **rider**. If cover is restricted in this way, it will be clearly shown in the Special Conditions section of **your policy schedule**.

Actions of others

Where an exclusion applies because a policyholder or **listed rider** caused the claimed **incident**, **we** will review the claim and if **we** are reasonably satisfied that another policyholder or person with a financial interest in the **insured property**:

- was a victim of domestic violence, coercion, mental illness, or substance abuse, in respect of the claimed **incident**; and
- did not contribute to, assist, facilitate, or cause the claimed **incident**;

we will settle the claim for that particular person, but only to the extent of their financial interest in the **insured property** or legal liability and if the claimed **incident** otherwise meets the terms of this **policy**.
