Product disclosure statement

This Product Disclosure Statement (PDS) has been designed to help you make an informed decision about our insurance product. It explains the product's features, benefits, conditions and exclusions, to help you to compare it to similar insurance products.

If you buy a policy from us, the cover you choose will be shown on your policy schedule.

Your contract with us is made up of the PDS together with your most recent policy schedule and your application for insurance or renewal. Please read all the information in this PDS and your policy schedule carefully and contact us if you have any questions.

For details about the fees we charge, how we are paid and also about APRA's Financial Claims Scheme (www.fcs.gov.au) please read our Financial Services Guide (FSG) on our website at www.youi.com.au.

YouiRewards

You may be eligible to earn YouiDollars through our rewards program, YouiRewards, which you can redeem only via our smartphone application. YouiRewards is available exclusively to Youi policyholders who have linked their policy in the Youi App and meet the Terms and Conditions available at www.youi.com.au/rewards/app/termsandconditions.

The vouchers and offers available through YouiRewards are provided by us. However, the goods and services to which they relate are supplied by third party providers. YouiRewards does not form part of your contract of insurance and we may change or cancel the rewards program in accordance with the Terms and Conditions.

Our promise of cover

If you pay your premium by the agreed date and fulfil the conditions of your contract, we will provide you with cover for the contract period as shown on your most recent policy schedule, in accordance with the terms and conditions of this PDS.

Cooling off period

The cooling off period is the first 20 calendar days from:

- the policy start date (if you change the start date the cooling off period applies from the original start date); or
- the renewal date.

Cancelling your policy

You may cancel your policy at any time during the cooling off period and we will refund your payment in full and waive the cancellation fee. This does not apply if a claim has been made under your policy. You may cancel your policy at any time after the cooling off period and we will refund the unused pro-rata portion of your premium.

To cancel your policy please call us on **13 YOUI (9684)**. If you send us a written request to cancel your policy we will call you to ensure your interests and privacy are protected and to verify your cancellation request.

We may cancel your policy by giving you three business days written notice if you do not meet your responsibilities or as permitted by law. If we cancel your policy we will refund to you the unused pro-rata portion of your premium.

A cancellation fee stated in our FSG will apply to all cancellations except those during the cooling off period where there has been no claim.

Premium

We decide how much premium to charge you based on commercial considerations and other reasons that we consider important, including but not limited to:

- the age of the caravan or trailer and what it is used for;
- the address and security of where you normally park the caravan or trailer;
- the value of any extra benefits included in your policy;
- your choice of payment method;
- your claims history;
- administration costs, taxes and government charges.

Goods and services tax

All insured amounts shown in your policy are in Australian Dollars and include Goods and Services Tax (GST). When you claim under your policy with us, all amounts we pay will be inclusive of GST, up to the maximum claim amount shown in your policy. If you are registered for GST purposes, we will reduce any claimed amounts paid to you by the appropriate input tax credit percentage that you have told us you are entitled to claim from the Australian Taxation Office.

Your duty of disclosure

- If you do not answer our questions honestly and completely, we may reduce or refuse your claim and/or cancel your policy as permitted by law.
- If the information you provide or withhold from us is fraudulent in any way, we may avoid your policy from its start date, as though it never existed.
- You must tell us everything you know, or could be reasonably expected to know, that is relevant to the cover you have chosen, including information about the property you want to insure, yourself and all the people you want to cover under your policy.
- We need correct, truthful and complete information from you to decide whether or not to insure you, how much premium to charge you for our products and whether we need to apply any special conditions to your policy.
- We will ask you a number of questions before we offer, extend, vary or reinstate any cover. This includes when you make use of our website to extend, vary or reinstate cover. You must answer all our questions correctly, truthfully and completely. We will not ask you to tell us anything that the law allows you to keep private.
- You must immediately tell us about any changes to the information you gave us when you took out or last changed your policy, including but not limited to changes to the insured property, the address where the insured property is kept, the people covered by your policy and anything else that may affect your policy or our decision to accept the risk.

- If you receive a renewal invitation from us you must check all the details and tell us immediately about any changes to the information you gave us when you took out your policy or that have occurred during the term of your policy, including but not limited to changes to the insured property, the address where the insured property is kept, the people covered by your policy and anything else that may affect your policy or our decision to accept the risk. Any changes to your information may cause us to change our decision to offer renewal of your policy, or the terms on which we offer such renewal.

You do not have to tell us of any matter which:

- reduces our risk of providing you the cover requested;
- is common knowledge;
- we know already or should know in the ordinary course of our business; or
- we have waived your duty of disclosure for.

Authorised persons or agents

Any person or agent you authorise to act on your behalf in relation to your policy is bound by your duty of disclosure. When answering any of our questions, the authorised person or agent is deemed to have the appropriate authority and knowledge to do so.

Your responsibilities

Your responsibilities are important requirements that you must fulfil in order to be covered under your policy. If you do not fulfil any or all of your responsibilities, we may reduce or refuse your claim and/or cancel your policy as permitted by law.

You must:

- **Factually provide information about other people covered on your policy.**

Where you provide information about other people while getting a quote, buying or amending a policy, you must ensure that the information is factually correct.

- **Check your policy immediately.**

Read and check your policy schedule carefully. If any information is incorrect or incomplete, please make all necessary changes immediately by calling **13 YOUI (9684)**.

- **Make your first premium payment.**

You must ensure your first premium payment is paid by the agreed date in order to be covered.

- **Make your subsequent instalment premium payments.**

You must ensure that your instalment payments are made by the agreed dates in order to be covered. If any instalment payment remains unpaid for a period of 14 calendar days or more, we may refuse to pay your claim. If any instalment payment remains unpaid for a period of one calendar month or more, we may cancel your policy as permitted by law.

- **Provide proof of ownership.**

In the event of a claim, you must provide adequate proof of value and ownership of any insured property for which you claim.

- **Maintain a valid email address.**

You must provide us with a valid email address that you have regular access to and notify us of any change to the email address during the course of the policy period.

- **Keep the caravan or trailer in a roadworthy condition.**

Throughout the duration of your policy, you must maintain the registered caravan or trailer in a roadworthy condition and the unregistered trailer in a safe operating condition.

The caravan or trailer may no longer be roadworthy or in a safe operating condition immediately after an incident. It is important that you do not tow your caravan or trailer after an incident if it is no longer roadworthy or safe to tow.

- **Check the following prior to giving any person permission to use your caravan or trailer:**

- Is their driver's licence valid, suspended or cancelled?
- Are any special conditions, restrictions or terms applies to their driver's licence that may limit their ability to legally drive the car whilst towing the trailer? Examples of these special conditions, restrictions or terms may include but are not limited to: a limit to the towing capacity of the car where the caravan or trailer's weight must not exceed that of the car; a learner's permit may restrict towing altogether.

- **Notify us of all incidents within 30 calendar days.**

You must notify us of any incident involving the insured property within 30 calendar days of becoming aware of the incident. The details that must be provided to us include:

- the location, date and time of the incident;
- the particulars (name, address, phone number and registration number) of any third party that was involved in the incident, and
- a description of the circumstances surrounding the incident.

This requirement applies whether you intend to claim or not. Failure to do so may prejudice you in lodging a claim or may prejudice us in defending a claim against you from a third party.

Renewing your policy

Before your policy expires we will review your policy, payment/s and claim/s and will send you a renewal invitation or an expiry notice.

If you receive a renewal invitation from us you must check all the details recorded and tell us immediately about any changes to the information you have provided us when you took out your policy and any changes that have occurred during the term of your policy, including but not limited to changes to the insured property, the address where the insured property is kept, the people covered by your policy and anything else that may affect your policy or our decision to accept the risk.

We will review your insured value as part of your renewal invitation and the updated amount will be noted on your policy schedule.

Any changes to your information may cause us to change our decision to offer renewal of your policy, or the terms on which we offer such renewal. If you do not tell us, we may refuse or reduce your claim and/or cancel your policy as permitted by law.

To make changes to any of your details, please call us on **13 YOUI (9684)** before the renewal date shown on your renewal invitation.

We will automatically renew your policy and continue to debit your premium from the payment account you gave us, unless you contact us and advise us not to renew your policy.

If you receive an expiry notice from us we will advise you of the time and day your cover will expire.

Fraudulent or dishonest claims

To keep our premiums competitive, we have a responsibility to all our customers to ensure that fraudulent or dishonest claims are not paid. We would never want to have to do this, however if you or any person acting on your behalf submits to us a claim or any information or documentation relating to a claim, which is in any way fraudulent or dishonest, we may refuse to pay the entire claim and cancel your policy as permitted by law.

If we refuse your claim for fraud or dishonesty, you agree to reimburse us for all costs we have incurred in connection with your claim, including investigatory and legal costs.

What if you need to claim?

When you claim, it can only relate to one incident and you cannot include multiple incidents in one claim. If there is more than one incident, a separate claim will need to be submitted and the relevant excess/es will apply to each and every claim.

We would never want to reduce or refuse your claim and/or cancel your policy as permitted by law, however we may do so if you do not fulfil the following responsibilities:

1. take all reasonable precautions to prevent or reduce loss or damage to any insured property, even after an insured event;
2. allow us to view any damaged goods or property that you are claiming for. You must not repair, sell or dispose of any property prior to advising us of the damage and allowing us the opportunity to assess the damage. This includes providing us the opportunity to assess unsatisfactory repairs that need to be rectified, unless emergency repairs are required to prevent further loss or damage to the insured property;
3. make a report to the police within 24 hours of you becoming aware of the incident and obtain an incident number from them if:
 - any insured property was lost or damaged by theft, attempted theft, malicious or intentional damage; or
 - you were involved in an incident for which the law requires you to do so;
4. not leave the scene of an accident until you are lawfully allowed to do so. This includes, but is not limited to, any accident which caused personal injury or where public or private property was damaged;
5. not admit liability or blame, nor offer to pay for any damages caused by any incident;
6. immediately send us copies of any demand or claim you receive arising out of any incident;
7. advise us if any person involved in an incident is charged by the police arising out of that incident;

8. notify us if you have any other policy of insurance, warranty or guarantee which provides you with cover or indemnity for a claim you have made under your policy;
9. assist us in taking or defending legal action in your name, including providing statements to legal representatives and appearance at trial or any other court proceedings;
10. give us your full co-operation and comply with all our reasonable requests in relation to your claim, including but not limited to:
 - supplying all information completely, truthfully and honestly about:
 - the incident giving rise to the claim; and
 - you, and or anyone else covered under your policy;
 - providing assistance needed to recover our costs from other parties;
 - within a reasonable timeframe of our request, providing any information, written statements, evidence and help we may need in defending, prosecuting and investigating the claim. Such information may include, but is not limited to:
 - a copy of your driving history from the local transport bureau; and
 - a copy of your insurance claims history from your previous insurers;
 - attending an interview with our assessor or investigator;
 - assisting any agents appointed by us (such as solicitors); and,
 - attending court to give evidence;
11. at our discretion, deliver to us any damaged or destroyed goods or items, including items left over from a set or pair of items for which we have paid your claim. These salvage items become our legal property;
12. pay for some of the costs, up to an amount we decide, if we repair or replace the insured property and where the repair or replacement results in the insured property being in a better condition than it was before the loss;
13. tell us each and every time when you submit a claim under your policy if you are registered for GST at the Australian Taxation Office and the percentage of input tax credit that you are entitled to claim;

14. complete all repairs or replacements to the insured property within a reasonable period after we accept your claim. All repairs or replacements must be fully completed within six months from the date of acceptance.

If you claim under your policy, we have the choice to settle your claim in many ways.

1. We can settle the caravan or trailer claim by:
 - paying for the reasonable cost of repair;
 - paying you an amount equal to the reasonable cost of repairs;
 - paying you the reasonable last known cost of repair where parts are unavailable;
 - paying you the lesser of the market value or the insured value shown on your policy schedule;
 - replacing the insured property; or
 - any combination of the above.
 2. We can settle the annex claim by:
 - paying for the reasonable cost of repair;
 - paying you an amount equal to the reasonable cost of repairs;
 - paying you the market value or the insured value shown on your policy schedule;
 - replacement; or
 - any combination of the above.
- If a part of the annex is damaged, we will pay for the damaged section only. If the caravan or trailer is a total loss, we will pay the insured value for the annex as well.
3. We can settle your contents and business items claim by:
 - replacing lost or damaged items;
 - repairing damaged items;
 - paying you the reasonable cost of repair or replacement of lost or damaged items; or
 - any combination of the above.

4. At our option, first pay any amount less than the insured value owed to a financier or legal owner of the trailer or annex, before paying you the balance.
5. Non-standard or after factory fitted accessories are included in the insured value. Cover for loss or damage to non-standard or after factory fitted accessories on the caravan or trailer is restricted to the reasonable cost of repair or replacement.
6. At our option, authorise the use of any combination of original manufacturer, used or replacement parts, in the repair of the caravan, trailer or annex.
7. Commence or defend legal action in your name and recover our costs from a third party.
8. Cancel your policy for reason of fulfilment if you claim for the total insured value of the caravan or trailer.
9. Keep the damaged caravan, trailer or annex, inclusive of the unexpired portion of its registration fees and Compulsory Third Party insurance premium, if you claim for the total insured value of the caravan or trailer.

Matching materials

We will always try to match colours and materials, but where products are unavailable we will use the closest possible match that is available. Additional costs resulting from the unavailability of matching materials are not covered.

Whether we settle your claim by replacing or repairing, it will only be for the damaged areas of the caravan, trailer or annex. We will not pay for the costs to replace or repair undamaged areas. We may agree to pay you what it would cost us to repair or replace the damaged areas or contents and you can pay the balance of the cost.

Code of conduct

Youi is a signatory to the Motor Vehicle Insurance and Repair Industry Code of Conduct.

Quality guarantee

If we choose and authorise repairs with a repairer, we will guarantee the quality of those repairs for as long as you are the owner of the insured property.

Choice of repairer

If your claim is accepted and your damaged caravan, trailer or annex can be repaired, at our option, we will arrange repairs with a repairer who is acceptable to us.

Wherever possible, we will offer you a choice of repairer from our network of recommended repairers.

You may choose another repairer, however we may not authorise repairs. If we do not authorise repairs we will pay you the fair and reasonable cost of repairs as determined by us, considering a number of factors, including comparison quotes from an alternate repairer we choose. Our quality guarantee does not apply to repairs that we have not authorised.

If you decide to choose another repairer, they must be appropriately licensed and authorised by law to conduct the required repairs.

Parts used in repair

We may use any combination of original manufacturer, used or replacement parts, in the repair of the caravan, trailer or annex.

Where parts are not available in Australia and require importation, we will pay for the cost of surface freight only.

Where parts are unavailable and the repair cannot be completed, we will pay you the listed price of the part or parts in question, as at the date of settlement.

New caravan or trailer replacement

Subject to availability, we may choose to either replace the caravan or trailer or pay the replacement cost of a new one, if it is assessed by us as a total loss within the first 24 months if:

- it was bought new and registered in your name as the first owner; or

- it was bought new and documented in your name as the first owner.

Where the cost to us to replace your caravan/trailer exceeds your insured value we will pay up to an additional 20% of the insured value.

The replacement or its cash equivalent will be based on a new caravan or trailer with a make and specification as close as possible to the insured caravan or trailer.

Excess

For each and every claim you make under your policy, you are required to pay an excess. Your excess may be the combined total of the basic excess amount and additional excesses.

If you have more than one Youi policy, you will only pay one excess if you claim from more than one policy for the same event. The incident for which you claim must arise out of a single event which occurs at the same place and time. The single excess payable is the highest excess amount noted on the relevant policies.

- **Basic excess**

The basic excess is the amount you must pay in relation to each and every claim made under your policy. We may offer you the option of selecting the amount of your basic excess. The basic excess will be shown on your policy schedule.

Where the event is completely the fault of a third party that you can identify, we can locate and whose liability can be established, we may waive payment of the basic excess.

- **Additional excess**

We may require an additional excess to be paid in certain circumstances under your policy. The exact situations where this would apply and the amount of the additional excess will be shown on your policy schedule.

In the event of a claim being made under circumstances as detailed on your schedule, this excess would apply in addition to any other excesses that would normally apply to the claim. This excess may still apply even though the basic excess has been waived.
