Product disclosure statement

This Product Disclosure Statement (PDS) has been designed to help you make an informed decision about our insurance product. It explains the product’s features, benefits, conditions and exclusions, to help you to compare it to similar insurance products.

If you buy a policy from us, the cover you choose will be shown on your policy schedule.

Your contract with us is made up of the PDS together with your most recent policy schedule and your application for insurance or renewal. However, some sections of this PDS do not form part of your insurance contract. Where this is the case, it will be clearly indicated in the relevant section.

Please read all the information in this PDS and your policy schedule carefully and contact us if you have any questions.

For additional details about the fees we charge, and how we are paid please read our Financial Services Guide (FSG) available on our website at www.youi.com.au.

Updates to this PDS

Information in this PDS is subject to change from time to time if it is not materially adverse information. Updated information may be found at our website at www.youi.com.au. If you request it, an electronic copy of the updated information will be made available to you without charge.

Our promise of cover

If you pay your premium by the due date/s and fulfil the conditions of your contract, we will provide you with cover for the contract period as shown on your most recent policy schedule, in accordance with the terms and conditions of this PDS.

Cooling off period

The cooling off period is the first 20 calendar days from:

• the policy start date (if you change the start date the cooling off period applies from the original start date); or

• the renewal date.

Cancelling your policy

You may cancel your policy at any time during the cooling off period and we will refund your payment in full and waive the cancellation fee. This does not apply if a claim has been made under your policy. You may cancel your policy at any time after the cooling off period and we will refund the unused pro-rata portion of your premium.

To cancel your policy please call us on 13 YOUI (9684). If you send us a written request to cancel your policy we will call you to ensure your interests and privacy are protected and to verify your cancellation request.

We may cancel your policy by giving you three business days written notice if you do not meet your responsibilities or as permitted by law. If we cancel your policy we will refund to you the unused pro-rata portion of your premium.

We may charge a cancellation fee of $33.00 inclusive of GST if you cancel your policy after the cooling off period but before the end of the policy period.
Premium

We decide how much premium to charge you based on commercial considerations and other reasons that we consider important, including but not limited to:

• the type and age of the watercraft and what it is used for;
• the address and security of where you normally park or moor the watercraft;
• the age/s of the operator/s;
• the value of any extra benefits included in your policy;
• your choice of payment method;
• your claims history;
• your previous insurance history; and
• administration costs, taxes and government charges.

Goods and services tax

All insured amounts shown in your policy are in Australian Dollars and include Goods and Services Tax (GST). When you claim under your policy with us, all amounts we pay will be inclusive of GST, up to the maximum claim amount shown in your policy. If you are registered for GST purposes, we will reduce any claimed amounts paid to you by the appropriate input tax credit percentage that you have told us you are entitled to claim from the Australian Taxation Office.

Fees and government charges

In addition to the premium, there are compulsory Commonwealth and State government taxes and charges which apply to our insurance products, which include GST and insurance (stamp) duty. In some cases, we may also charge a state emergency services/fire services levy.

These charges, levies and any other fees will be included in your quotation and on your policy documents.

Your duty of disclosure

Before you enter into or renew an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984.

We will ask you questions that are relevant to our decision to insure you or renew your contract and on what terms. You must tell us anything:

• that you know; and
• that a reasonable person in the circumstances would include in answering the questions.

If we send you a renewal invitation:

• it may include details of anything you’ve told us and we may ask you to tell us whether all of the details are still correct;
• you must also tell us if any details you’ve previously given us have changed.

If we don’t hear back from you at renewal, we will take it as though nothing has changed.

You have this duty before you enter into the insurance contract until we agree to insure you, and on renewal of the insurance contract until we agree to renew.

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Authorised persons or agents

You may want to appoint someone to represent you as an authorised person (eg. a family member). The authorised person will be able to manage your policy and holds the same authority to purchase, amend, change risk, cancel and claim as you do as the policy holder.

The authorised person cannot have a conflict of interest, eg. in the case of managing a claim the authorised person cannot be a repairer.
To add an authorised person you need to advise us and we need to agree. Once an authorised person is agreed by us, we will ask you to nominate a contact person for any communications we have in relation to the policy (either you as policyholder or your authorised person). Communications will only be sent to the appointed contact person. You must keep your contact details of the nominated contact person up to date.

Any person you authorise to act on your behalf in relation to your policy is bound by your duty of disclosure. When answering any of our questions, the authorised person is deemed to have the appropriate authority and knowledge to do so.

This authority stays in place until the authorised person is removed from the policy by the you as the policy holder.

Your responsibilities

Your responsibilities are important requirements that you must fulfil in order to be covered under your policy. If you do not fulfil any or all of your responsibilities, we may reduce or refuse your claim and/or cancel your policy as permitted by law.

You must:

- **Provide factually correct information about other people covered on your policy.**

  Where you provide information about other people while getting a quote, buying or amending a policy, you must ensure that the information is factually correct.

- **Check your policy immediately.**

  Read and check your policy schedule carefully. If any information is incorrect or incomplete, please make all necessary changes immediately by calling 13 YOUI (9684).

- **Make your premium payment/s.**

  You must ensure that your first and any subsequent instalment premium payments are made by the due dates in order to be covered. If any payment remains unpaid for a period of 14 calendar days or more, we may refuse to pay your claim. If any payment remains unpaid for a period of one calendar month or more, we may cancel your policy as permitted by law.

- **Provide proof of ownership.**

  In the event of a claim, you must provide adequate proof of value and ownership of any insured property for which you claim.

- **Maintain a valid email address and telephone number.**

  You must provide us with a valid email address and telephone number that you have regular access to and notify us of any change to the email address or telephone number during the course of the policy period.

- **Maintain the watercraft, tender and trailer.**

  Throughout the duration of your policy, you must maintain the watercraft, tender and trailer to be in a safe operating condition and ensure that they are always seaworthy and roadworthy respectively. The watercraft, tender or trailer may no longer be in a safe operating condition, nor seaworthy and roadworthy respectively, immediately after an incident. It is important that you do not operate them if it is no longer safe to do so.

  Where it is shown as a special condition on your policy schedule you must also have a valid marine survey that is less than 3 years old for the watercraft.

- **Check the following prior to giving any person permission to operate the watercraft, tender or tow the watercraft behind a vehicle:**

  - Is their vehicle licence valid, suspended or cancelled?
  - Is the operator legally required to have a licence to operate the watercraft or tender and if so, is the watercraft operator’s licence valid, suspended or cancelled?
- Does the operator have any special conditions, restrictions or terms applied to their vehicle or watercraft licence that may limit their ability to legally operate or tow the watercraft or tender? Examples of these special conditions, restrictions or terms may include but are not limited to: a limit to the towing capacity of the car; learner’s permit restrictions; certain hours of operation only e.g. daytime or night time; maximum speed and certain watercrafts deemed high-powered (performance) vessels by the relevant State or Territory Government Department or Maritime Authority.

- **Notify us of all incidents within 30 calendar days.**
  
  You must notify us of any incident involving the insured property within 30 calendar days of becoming aware of the incident. The details that must be provided to us include:
  - the location, date and time of the incident;
  - the particulars (name, address, phone number and registration number) of any third party that was involved in the incident, and
  - a description of the circumstances surrounding the incident.

  This requirement applies whether you intend to claim or not. Failure to do so may prejudice you in lodging a claim or may prejudice us in defending a claim against you from a third party.

**Renewing your policy**

Before your policy expires we will review your policy, payment/s and claim/s and will send you a renewal invitation or an expiry notice.

If you receive a renewal invitation from us you must check all the details recorded and tell us immediately about any changes to the information you have provided us when you took out your policy and any changes that have occurred during the term of your policy, including but not limited to changes to the insured property, the address where the insured property is kept, the people covered by your policy and anything else that may affect your policy or our decision to accept the risk.

We will review your insured value as part of your renewal invitation and the updated amount will be noted on your policy schedule.

Any changes to your information may cause us to change our decision to offer renewal of your policy, or the terms on which we offer such renewal. If you do not tell us, we may refuse or reduce your claim and/or cancel your policy as permitted by law.

To make changes to any of your details, please call us on 13 YOUI (9684) before the renewal date shown on your renewal invitation.

If we send you a renewal invitation, we will automatically renew your policy on the terms specified in that invitation and continue to debit the applicable premium from the payment account you gave us, unless you call us on 13 YOUI (9684) and advise us not to renew your policy. If you send us a written request to cancel this automatic renewal, we will call you to ensure your interests and privacy are protected and to verify your request.

If you receive an expiry notice from us we will advise you of the time and day your cover will expire.

**Fraudulent or dishonest claims**

To keep our premiums competitive, we have a responsibility to all our customers to ensure that fraudulent or dishonest claims are not paid. We would never want to have to do this, however if you or any person acting on your behalf submits to us a claim or any information or documentation relating to a claim, which is in any way fraudulent or dishonest, we may refuse to pay the entire claim and cancel your policy as permitted by law.

If we refuse your claim for fraud or dishonesty, you agree to reimburse us for all costs we have incurred in connection with your claim, including investigatory and legal costs.

**Code of practice**

As a member of the Insurance Council of Australia, we are signatories to the General Insurance Code of Practice (“the Code”) introduced by the Insurance Council of Australia with support from the Federal Government and consumer groups.

Should you require more information or a copy of the Code go to [www.codeofpractice.com.au](http://www.codeofpractice.com.au), contact the Australian Financial Complaints Authority on 1800 931 678 or contact us.
As part of the Code and our commitment to you, if you are not completely happy with this product or our service please tell us about it. Details of how we handle your complaint are in the Financial Services Guide on www.youi.com.au. This also contains information regarding the Financial Claims Scheme and Compensation Arrangements.

The Code does not form part of your contract of insurance.

- obtaining details of all parties involved;

The insured value is made up of a number of components with amounts for the hull, and depending on the watercraft type, additional amounts for each of the following:

- outboard motor(s);
- sails, masts, booms and rigging; and
- trailer.

You should select an amount which reflects the replacement cost of the respective item. These amounts will be noted on your policy schedule and are the most we will pay for repair or replacement of any respective component except where we are paying a claim for New Watercraft Replacement.

**Contents**

Contents are covered for their replacement value up to $150 per item to a total of $750 as described in Extra Cover: Contents.

If you have chosen the Optional Cover: Contents Upgrade, this cover replaces the Extra Cover and you should select an insured value which reflects the total replacement value of the contents of your watercraft, tender or trailer. This amount will be noted on your policy schedule. Your contents will then be covered for their replacement value up to $1,000 per item or the insured value, whichever is the lesser.

What if you need to claim?

When you claim, it can only relate to one incident and you cannot include multiple incidents in one claim. If there is more than one incident, a separate claim will need to be submitted and the relevant excess/es will apply to each and every claim.

We would never want to reduce or refuse your claim and/or cancel your policy as permitted by law, however we may do so if you do not fulfil the following responsibilities:

1. take all reasonable precautions to prevent or reduce loss or damage to any insured property, even after an insured event;

2. allow us to view any damaged goods or property that you are claiming for. You must not repair, sell or dispose of any property prior to advising us of the damage and allowing us the opportunity to assess the damage. This includes providing us the opportunity to assess unsatisfactory repairs that need to be rectified, unless emergency repairs are required to prevent further loss or damage to the insured property;

3. make a report to the police within 24 hours of you becoming aware of the incident and obtain an incident number from them if:
   • any insured property was lost or damaged by theft, attempted theft, malicious or intentional damage;
   • you were involved in an incident for which the law requires you to do so;

4. not leave the scene of an accident until you are lawfully allowed to do so. This includes, but is not limited to, any accident which caused personal injury or where public or private property was damaged;

5. not admit liability or blame, nor offer to pay for any damages caused by any incident;

6. immediately send us copies of any demand or claim you receive arising out of any incident;

7. advise us if any person involved in an incident is charged by the police arising out of that incident;

8. notify us if you have any other policy of insurance, warranty or guarantee which provides you with cover or indemnity for a claim you have made under your policy;

9. assist us in taking or defending legal action in your name, including providing statements to legal representatives and appearance at trial or any other court proceedings;

10. give us your full co-operation and comply with all our reasonable requests in relation to your claim, including but not limited to:
   • supplying all information completely, truthfully and honestly about:
     - the incident giving rise to the claim; and
     - you or anyone else covered under your policy;
   • providing assistance needed to recover our costs from other parties;
   • within a reasonable timeframe of our request, providing any information, written statements, evidence and help we may need in defending, prosecuting and investigating the claim. Such information may include, but is not limited to:
     - a copy of your driving and watercraft operating history from the relevant transport authority;
     - a copy of your insurance claims history from your previous insurers;
     - a copy of a marine survey that is less than 3 years old for the watercraft where it is shown as a special condition on your policy schedule;
• attending an interview with our assessor;
• assisting any agents appointed by us (such as solicitors); and
• attending court to give evidence;

11. at our discretion, deliver to us any damaged or destroyed goods or items, including items left over from a set or pair of items for which we have paid your claim. These items become our legal property and you will comply with our reasonable request to transfer legal ownership;

12. pay for some of the costs, up to an amount we decide, if we repair or replace your insured property and where the repair or replacement results in the insured property being in a better condition than it was before the loss;

13. tell us each and every time when you submit a claim under your policy if you are registered for GST at the Australian Taxation Office and the percentage of input tax credit that you are entitled to claim;

14. complete all repairs or replacements to the insured property within a reasonable period after we accept your claim. All repairs or replacements must be fully completed within six months from the date of acceptance.

If you claim under your policy, we have the choice to settle your claim in many ways.

1. We can settle your claim by:
   • paying for the reasonable cost of repairs;
   • paying you an amount equal to the reasonable cost of repairs;
   • paying you the lesser of the market value or the insured value shown on your policy schedule;
   • replacing the insured property; or
   • any combination of the above where you are claiming for more than one component.

2. At our option, pay in full any sum owed to a financier or legal owner of the watercraft, from any settlement.

3. At our option, authorise the use of any combination of original manufacturer, used or replacement parts, in the repair of the watercraft.

4. Commence or defend legal action in your name and recover our costs from a third party.

5. Keep your damaged watercraft and/or trailer, inclusive of the unexpired portion of their registration fees, if you claim for the total insured value of the watercraft, tender and/or trailer.

Joint insureds

Where we are indemnifying more than one person insured by this policy in respect of an accident under either the General Liability or Watersports Liability cover, the most we will pay in total for all persons claiming under this policy is $10,000,000.

Matching materials

We will always try to match colours and materials, but where products are unavailable we will use the closest possible match that is available. Additional costs resulting from the unavailability of matching materials are not covered.

Whether we settle your claim by replacing or repairing, it will only be for the damaged areas of the watercraft or tender. We will not pay for the costs to replace or repair undamaged areas. We may agree to pay you what it would cost us to repair or replace the damaged areas or contents and you can pay the balance of the cost.

Quality guarantee

If we choose and authorise repairs with a repairer, we will guarantee the quality of those repairs for as long as you are the owner of the insured property.

Choice of repairer

If your claim is accepted and your damaged watercraft or contents can be repaired, at our option, we will arrange repairs with a repairer who is acceptable to us.

Wherever possible, we will offer you a choice of repairer from our network of recommended repairers.

You may choose another repairer, however we may not authorise repairs. If we do not authorise repairs we will pay you the fair and reasonable cost of repairs as determined by us, considering a number of factors, including comparison quotes from an alternate repairer we choose. Our quality guarantee does not apply to repairs that we have not authorised.
If you decide to choose another repairer, they must be appropriately licensed and authorised by law to conduct the required repairs.

**Parts used in repair**

We may use any combination of original manufacturer, used or replacement parts, in the repair of the watercraft.

Where parts are not available in Australia and require importation, we will pay for the cost of surface freight only.

Where parts are unavailable and the repair cannot be completed, we will pay you the listed price of the part or parts in question, as at the date of settlement.

**New watercraft replacement**

The watercraft includes the following, each requiring a separate insured value:
- hull;
- outboard motor(s);
- sails, masts, booms and rigging; and
- trailer.

Under Comprehensive or Third Party Fire and Theft cover, if the watercraft is assessed by us as a total loss, we may choose to either:
- replace it (subject to availability); or
- pay the replacement cost of a new one

if the watercraft was bought new and documented in your name as the first owner within 24 months before the incident.

The replacement or its cash-equivalent will be based on a new watercraft with a make and specification as close as possible to the insured watercraft.

Where the cost to us to replace your watercraft exceeds your insured value we will pay up to an additional 20% of the insured value.

The watercraft replacement and cash-equivalent options do not apply to any parts of the watercraft that were:
- not listed with separate insured values as required;
- bought new and documented in your name as the first owner more than 24 months before the incident;
- lost or damaged in the same incident and which can be used on a similar watercraft.

**Excess**

For each and every claim you make under your policy you are required to pay an excess. Your excess may be the combined total of the basic excess amount and additional excesses.

If you have more than one Youi policy, you will only pay one excess if you claim from more than one policy for the same incident. The incident for which you claim must arise out of a single event which occurs at the same place and time. The single excess payable is the highest excess amount noted on the relevant policies.

- **Basic excess**
  - The basic excess is the amount you must pay in relation to each and every claim made under your policy. We may offer you the option of selecting the amount of your basic excess. The basic excess will be shown on your policy schedule.
  - Where the event is completely the fault of a third party that you can identify, we can locate and whose liability can be established, we may waive payment of the basic excess.

- **Additional excess**
  - We may require an additional excess to be paid in certain circumstances under your policy. The exact situations where this would apply and the amount of the additional excess will be shown on your policy schedule.
  - In the event of a claim being made under circumstances as detailed on your policy schedule, this excess would apply in addition to any other excesses that would normally apply to the claim. This excess may still apply even though the basic excess has been waived.
