Product disclosure statement

This Product Disclosure Statement (PDS) has been designed to help you make an informed decision about our insurance product. It explains the product's features, benefits, conditions and exclusions, to help you to compare it to similar insurance products.

If you buy a policy from us, the cover you choose will be shown on your policy schedule.

Your contract with us is made up of the PDS together with your most recent policy schedule and your application for insurance or renewal. However, some sections of this PDS do not form part of your insurance contract. Where this is the case, it will be clearly indicated in the relevant section.

Please read all the information in this PDS and your policy schedule carefully and contact us if you have any questions.

For additional details about the fees we charge and how we are paid please read our Financial Services Guide (FSG) available on our website at www.youi.com.au.

Updates to this PDS

Information in this PDS is subject to change from time to time if it is not materially adverse information. Updated information may be found at our website at www.youi.com.au. If you request it, an electronic copy of the updated information will be made available to you without charge.

Our promise of cover

If you pay your premium by the due date/s and fulfil the conditions of your contract, we will provide you with cover for the contract period as shown on your most recent policy schedule, in accordance with the terms and conditions of this PDS.

Cooling off period

The cooling off period is the first 20 calendar days from:

- the policy start date (if you change the start date the cooling off period applies from the original start date); or
- the renewal date.

Cancelling your policy

You may cancel your policy at any time during the cooling off period and we will refund your payment in full and waive the cancellation fee. This does not apply if a claim has been made under your policy. You may cancel your policy at any time after the cooling off period and we will refund the unused pro-rata portion of your premium.

To cancel your policy please call us on **13 YOUI (9684)**. If you send us a written request to cancel your policy we will call you to ensure your interests and privacy are protected and to verify your cancellation request.

We may cancel your policy by giving you 3 business days written notice if you do not meet your responsibilities or as permitted by law. If we cancel your policy we will refund to you the unused pro-rata portion of your premium.

We may charge a cancellation fee of \$33.00 inclusive of GST if you cancel your policy after the cooling off period but before the end of the policy period.

Premium

We decide how much premium to charge you based on commercial considerations and other reasons that we consider important, including but not limited to:

- the value of any extra benefits included in your policy;
- your choice of payment method;
- your claims history;
- your previous insurance history; and
- administration costs, taxes and government charges.

Goods and services tax

All insured amounts shown in your policy are in Australian Dollars and include Goods and Services Tax (GST). When you claim under your policy with us, all amounts we pay will be inclusive of GST, up to the maximum claim amount shown in your policy. If you are registered for GST purposes, we will reduce any claimed amounts paid to you by the appropriate input tax credit percentage that you have told us you are entitled to claim from the Australian Taxation Office.

Fees and government charges

In addition to the premium, there are compulsory Commonwealth and State government taxes and charges which apply to our insurance products, which include GST and insurance (stamp) duty. In some cases, we may also charge a state emergency services/fire services levy.

These charges, levies and any other fees will be included in your quotation and on your policy documents.

Your duty of disclosure

Before you enter into or renew an insurance contract, you have a duty of disclosure under the *Insurance Contracts Act 1984*.

We will ask you questions that are relevant to our decision to insure you or renew your contract and on what terms. You must tell us anything:

- that you know; and
- that a reasonable person in the circumstances would include in answering the questions.

If we send you a renewal invitation:

- it may include details of anything you've told us and we may ask you to tell us whether all of the details are still correct;
- you must also tell us if any details you've previously given us have changed.

If we don't hear back from you at renewal, we will take it as though nothing has changed.

You have this duty before you enter into the insurance contract until we agree to insure you, and on renewal of the insurance contract until we agree to renew.

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Authorised persons or agents

You may want to appoint someone to represent you as an authorised person (e.g. a family member). The authorised person will be able to manage your policy and holds the same authority to purchase, amend, change risk, cancel and claim as you do as the policy holder.

The authorised person cannot have a conflict of interest, e.g. in the case of managing a claim the authorised person cannot be a repairer.

To add an authorised person you need to advise us and we need to agree. Once an authorised person is agreed by us, we will ask you to nominate a contact person for any communications we have in relation to the policy (either you as policyholder or your authorised person). Communications will only be sent to the appointed contact person. You must keep your contact details of

the nominated contact person up to date.

Any person you authorise to act on your behalf in relation to your policy is bound by your duty of disclosure. When answering any of our questions, the authorised person is deemed to have the appropriate authority and knowledge to do so.

This authority stays in place until the authorised person is removed from the policy by you as the policy holder.

Your responsibilities

Your responsibilities are important requirements that you must fulfil in order to be covered under your policy. If you do not fulfil any or all of your responsibilities, we may reduce or refuse your claim and/or cancel your policy as permitted by law.

You must:

- **Provide factually correct information about other people covered on your policy.**

Where you provide information about other people while getting a quote, buying or amending a policy, you must ensure that the information is factually correct.

- **Check your policy immediately.**

Read and check your policy schedule carefully. If any information is incorrect or incomplete, please make all necessary changes immediately by calling **13 YOU! (9684)**.

- **Make your premium payment/s.**

You must ensure that your first and any subsequent instalment premium payments are made by the due dates in order to be covered. If any payment remains unpaid for a period of 14 calendar days or more, we may refuse to pay your claim. If any payment remains unpaid for a period of one calendar month or more, we may cancel your policy as permitted by law.

- **Provide proof of ownership.**

In the event of a claim, you must provide adequate proof of value and

ownership of any insured property for which you claim.

- **Maintain a valid email address and telephone number.**

You must provide us with a valid email address and telephone number that you have regular access to and notify us of any change to the email address or telephone number during the course of the policy period.

- **Notify us of all incidents within 30 calendar days.**

You must notify us of any incident involving the insured property within 30 calendar days of becoming aware of the incident. The details that must be provided to us include:

- the location, date and time of the incident; and
- the particulars (name, address, phone number and registration number) of any third party that was involved in the incident; and
- a description of the circumstances surrounding the incident.

This requirement applies whether you intend to claim or not. Failure to do so may prejudice you in lodging a claim or may prejudice us in defending a claim against you from a third party.

Renewing your policy

Before your policy expires we will review your policy, payment/s and claim/s and will send you a renewal invitation or an expiry notice.

If you receive a renewal invitation from us from us you must check all the details recorded and tell us immediately about any changes to the information you have provided us when you took out your policy and any changes that have occurred during the term of your policy, including but not limited to changes to your business, the address where your business is registered, the people covered by your policy and anything else that may affect your policy or our decision to accept the risk.

We will review your sum/s insured as part of your renewal invitation and the updated amount/s will be noted on your policy schedule.

Any changes to your information, may cause us to change our decision to offer renewal of your policy, or the terms on which we offer such renewal. If you do

not tell us, we may refuse or reduce your claim and/or cancel your policy as permitted by law.

To make changes to any of your details, please call us on **13 YOUI (9684)** before the renewal date shown on your renewal invitation.

If we send you a renewal invitation, we will automatically renew your policy on the terms specified in that invitation and continue to debit the applicable premium from the payment account you gave us, unless you contact us on **13 YOUI (9684)** and advise us not to renew your policy. If you send us a written request to cancel this automatic renewal, we will call you to ensure your interests and privacy are protected and to verify your request.

If you receive an expiry notice from us we will advise you of the time and day your cover will expire.

Fraudulent or dishonest claims

To keep our premiums competitive, we have a responsibility to all our customers to ensure that fraudulent or dishonest claims are not paid. We would never want to have to do this, however if you or any person acting on your behalf submits to us a claim or any information or documentation relating to a claim, which is in any way fraudulent or dishonest, we may refuse to pay the entire claim and cancel your policy as permitted by law.

If we refuse your claim for fraud or dishonesty, you agree to reimburse us for all costs we have incurred in connection with your claim, including investigatory and legal costs.

Code of practice

As a member of the Insurance Council of Australia, we are signatories to the General Insurance Code of Practice ('the Code') introduced by the Insurance Council of Australia with support from the Federal Government and consumer groups.

Should you require more information or a copy of the Code go to www.codeofpractice.com.au, contact the Australian Financial Complaints Authority on 1800 931 678 or contact us.

As part of the Code and our commitment to you, if you are not completely

happy with this product or our service please tell us about it. Details of how we handle your complaint are in the FSG on www.youi.com.au. This also contains information regarding the Financial Claims Scheme and Compensation Arrangements.

The Code does not form part of your contract of insurance.

For the purposes of such enforcement the person has the same rights and entitlements as you would have under any legislation. We will pay the person claiming despite any failure by you to account for any applicable excess but the excess is a debt that we can recover from you.

- **Notification of settled claims:** We and you agree that you will fulfil any incident notification or reporting requirements to any regulatory body as required by law.
- **Claims co-operation:** You must, at our request, inspect, rectify or complete any electrical work relating to a claim unless the consumer or any person acting on their behalf refuses you access to the site. We may then reduce the amount of any claim under this policy by an amount that reasonably represents the cost resulting from the refusal.
- **Cancelling your insurance:** We may only cancel a policy in accordance with the law. If we cancel or refuse to continue cover under this option, we agree that cancellation of this cover:
 - will only take effect 30 days after we give notice to you and the Electrical Safety Board of the proposed cancellation; and
 - has no effect on any of our obligations under this cover in relation to electrical work carried out while the cover was in force.
- **Compliance with legal orders:** We will comply with any order to pay compensation made against you by a court or any other competent judicial body in respect of liability for which you are indemnified under this cover.
- **Conflict with requirements:** If the combined terms of this cover and Business Liability conflict or are inconsistent with the insurance requirements under Section 43 of the Electricity Safety Regulation (QLD) 2002, then this cover together with Business Liability insures you in accordance with those requirements.
- **Legislation amendment:** A reference to a specific Act, Regulation, Ministerial Order or legislation in this cover also means any amendment, revision or replacement of that specific Act, Regulation, Ministerial Order or legislation.

Excess

For each and every claim you make under your policy, you are required to pay an excess. Your excess may be the combined total of the basic excess amount and additional excesses.

If you have more than one Youi policy, you will only pay one excess if you claim from more than one policy for the same event. The incident for which you claim must arise out of a single event which occurs at the same place and time. The single excess payable is the highest excess amount noted on the relevant policies.

- **Basic excess**

The basic excess is the amount you must pay in relation to each and every claim made under your policy. We may offer you the option of selecting the amount of your basic excess. The basic excess will be shown on your policy schedule.

Where your claim arises from an incident that is completely the fault of a third party that you can identify, we can locate and whose liability can be established, we may waive payment of the basic excess.

- **Additional excess**

We may require an additional excess to be paid in certain circumstances under your policy. The exact situations where this would apply and the amount of the special excess will be shown on your policy schedule.

In the event of a claim being made under circumstances as detailed on your policy schedule, this excess would apply in addition to any other excesses that would normally apply to the claim. This excess may still apply even though the basic excess has been waived.
