Product Disclosure Statement

This Product Disclosure Statement (PDS) is designed to help **you** make an informed decision about **our** insurance products and explains the features, benefits, conditions, and exclusions to help **you** to compare it to similar products.

If **you** buy a **policy** from **us**, the cover **you** choose will be shown on **your policy schedule**.

Your contract with **us** is made up of the PDS together with **your** most recent **policy schedule**, and **your** application for insurance. However, some sections of this PDS do not form part of **your** insurance contract. Where this is the case, it will be clearly indicated in the relevant section.

Any terms in this PDS that are in bold have a defined meaning. Refer to the What Do These Words Mean? section to obtain the full meaning of these terms.

Please read all the information in this PDS and **your policy schedule** carefully and contact **us** if **you** have any questions. If any special conditions apply to **your** cover, they will be listed on **your policy schedule**.

For additional details about the fees **we** charge and how **we** are paid, please read **our** Financial Services Guide (FSG) available on **our** website at www.youi.com.au.

Updates to this PDS

Information in this PDS is subject to change from time to time if it is not materially adverse information. Updated information may be found on **our** website at www.youi.com.au. If **you** request it, an electronic copy of the updated information will be made available to **you** without charge.

Our promise of cover

If **you** pay **your** premium by the due date/s and fulfil the conditions of **your** contract, **we** will provide **you** with cover for **insured events**, plus the extra covers and any optional covers which have been added to **your policy**, that occur in the **contract period** as shown on **your** most recent **policy schedule**, in accordance with the terms and conditions of this PDS.

Cooling off period

The cooling off period is the first 20 calendar days from:

- the **policy** start date (if **you** change the start date, the cooling off period applies from the original start date); or
- the renewal date.

Cancelling your policy

You may cancel **your policy** at any time during the cooling off period and **we** will refund **your** payment in full and waive the cancellation fee. This does not apply if a claim has been made under **your policy**. **You** may cancel **your policy** at any time after the cooling off period and **we** will refund the unused pro-rata portion of **your** premium.

To cover **our** administrative costs, a cancellation fee of \$22.00 inclusive of GST will be deducted from any premium refund **we** give **you** if **you** cancel **your policy** after the cooling off period but before the end of the **contract period**.

The cancellation fee will not apply if:

- at the time of cancellation, **you** replace the cancelled **policy** with another car policy with **us**;
- the **policy** was cancelled by **us**; or
- where **we** are no longer able to continue to provide cover due to a change in **your** circumstances; for example, emigration out of Australia.

For **you** to cancel **your policy**, **we** must speak with **you** to ensure **your** privacy is protected and to verify the cancellation date. Please call **us** on **13 YOU! (9684)** or notify **us** in writing and **we** will call **you**.

If **we** cancel **your policy** due to **you** not fulfilling **your** responsibilities or as permitted by law, **we** will give **you** 3 business days written notice of the cancellation. If **we** cancel **your policy**, **we** will refund to **you** the unused pro-rata portion of **your** premium.

If **you** are paying **your** premium by instalments and any payment remains unpaid for a period of 1 calendar month or more, **we** can cancel **your policy** without giving **you** prior notice of cancellation.

Privacy policy

We are committed to protecting **your** personal details. For further information, refer to **our** Privacy Policy which is available on **our** website at www.youi.com.au/privacy-policy.

However, if **your** complaint remains unresolved after 15 business days, **you** may refer the matter to **our** Internal Dispute Resolution Service by emailing disputes@youi.com.

If **you** are not satisfied with the outcome of **our** internal review or if **we** do not resolve **your** complaint within 45 calendar days of the date on which **we** first

Premium

When **you** buy a **policy** from **us**, **you** will be told the premium payable and the total amount payable will also be shown on **your policy schedule**.

We decide how much to charge **you** based on commercial considerations and other reasons that **we** consider important; including:

- the make, model and age of the **car** and what it is **used** for;
- the address and security of where **you** normally park the **car**;
- the age, **driving** experience and claims history of any proposed **driver**;
- any optional covers added to **your policy**;
- **your** choice of payment frequency;
- **your** payment history with **us**;
- **your** claims history;
- **your** previous insurance history; and
- administration costs, taxes and government charges.

Goods and services tax

All insured amounts shown in **your policy** are in Australian Dollars and include Goods and Services Tax (GST). When **you** claim under **your policy** with **us**, all amounts **we** pay will be inclusive of GST up to the maximum claim amount shown in **your policy**. If **you** are registered for GST purposes, **we** will reduce any claimed amounts paid to **you** by the appropriate input tax credit percentage that **you** have told **us** **you** are entitled to claim from the Australian Taxation Office.

Fees and government charges

In addition to the premium there are compulsory government taxes and charges which apply to **our** insurance products, which include GST and insurance (stamp) duty. In some cases, **we** may also charge a state emergency services levy.

These charges, levies and any other fees will be included in **your** quotation and on **your policy** documents.

Your duty of disclosure

Before **you** enter into or renew an insurance contract, **you** have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

We will ask **you** questions that are relevant to **our** decision to insure **you** or to renew **your** contract, and on what terms.

You must:

- answer **our** questions honestly and to the best of **your** knowledge; and
- tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

If **we** send **you** a renewal notice:

- it may include details of anything **you** have told **us**, and **we** may ask **you** to tell **us** whether all of the details are still correct; and
- **you** must also tell **us** if any details **you** have previously given **us** have changed.

If **we** do not hear back from **you** at renewal, **we** will take it as though nothing has changed.

You have this duty before **you** enter into the insurance contract until **we** agree to insure **you**, and on renewal of the insurance contract until **we** agree to renew.

If **you** do not tell **us** anything **you** are required to tell **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Authorised persons on your policy

If **you** have an authorised person on **your policy**, the authorised person will be able to manage **your policy** and holds the same authority to purchase, amend, cancel, and claim, as **you** do as the policyholder.

To add an authorised person, **you** need to advise **us** and **we** need to agree. Once this is agreed by **us**, **we** will ask **you** to nominate a contact person for any communications **we** have in relation to the **policy** (either **you** as policyholder or **your** authorised person). Communications will only be sent to the appointed contact person. **You** must keep the contact details of the nominated contact person up to date.

When answering any of **our** questions, the authorised person is deemed to have the appropriate authority and knowledge to do so.

This authority stays in place until the policyholder removes the authorised person from the **policy**.

Your responsibilities

Your responsibilities are important requirements that **you** must fulfil.

1. Provide factual information about other people covered on your policy

Where **you** provide information about other people while getting a quote, buying or amending a **policy**, **you** must ensure that the information is factually correct to the best of **your** knowledge.

2. Check your policy schedule

Read and check **your policy schedule** carefully to ensure the information is correct and up to date. If any information is incorrect or incomplete, please make all necessary changes immediately by calling **13 YOUI (9684)**. Any updates may result in a change in premium.

3. Make your premium payment/s

You must ensure that **your** first and any subsequent instalment premium payments are made by the due dates. **You** are responsible for paying any outstanding premium if **we** settle **your** claim. If any payment remains unpaid for a period of 1 calendar month or more, **we** can cancel **your policy** without giving **you** prior notice.

4. Provide proof of ownership

In the event of a claim, if requested, **you** must provide adequate proof of value and ownership of any **insured property** for which **you** claim; for example, registration documents, finance agreements, tax invoices and receipts, and bank statements.

5. Maintain a valid email address and phone number

We will only send **your policy** documents and information to **you** by email. **You** must provide **us** with, and maintain, a valid email address and phone number that **you** have regular access to and that **we** can reach **you** on. **You** must notify **us** of any change to **your** email address or phone number during the course of the **contract period**. If **you** do not maintain or notify **us** of a change to **your** email address or phone number, **we** cannot continue to insure **you** and this means **we** may need to cancel **your policy**.

6. Keep the car and unbraked trailer in a good and safe condition

Keep the **car** and **unbraked trailer** in a well maintained, safe and **roadworthy** condition. This includes servicing the **car** and **unbraked trailer** as required by the manufacturer, replacing worn out tyres or brakes, and fixing any defective lights.

The **car** or **unbraked trailer** may no longer be **roadworthy** immediately after an **incident**. It is important that **you** do not **drive** the **car**, or tow the **unbraked trailer**, after an **incident** if it is no longer **roadworthy**.

7. Take reasonable precautions

You must take all reasonable precautions to prevent or reduce loss or damage to any **insured property**, even after an **incident** covered by **your policy**; for example, locking and securing the **car**, not leaving valuables in clear view, and moving the **car** to a safe location in the event of a **flood** or **storm** where it is safe to do so.

If **you** do not take reasonable precautions, **we** can reduce or refuse **your** claim, or cancel **your policy** as permitted by law.

8. Notify us of incidents

You must notify **us** of any **incidents** covered by **your policy** involving the **insured property** as soon as it is practically possible. Any further loss or damage to the **insured property** that arises because of **your** delay in reporting the **incident** will not be covered.

When **you** notify **us** of an **incident** covered by **your policy**, the following information will assist **us** with processing **your** claim:

- the location, date and time of the **incident**;
- a description of the circumstances surrounding the **incident**; and
- the full name, address and phone number of the **third party**, their driver's licence number, and the registration number of their vehicle that was involved in the **incident**.

9. Treat our people with respect

You, any authorised persons and anyone covered on **your policy** are required to treat **us** and **our** representatives with respect, and not use threatening or inappropriate conduct during **your** interactions with Youi. **We** can cancel **your policy** if **you** fail to meet this requirement.

Renewing your policy

Before **your policy** expires, **we** will review **your policy**, payment/s and claim/s, and will send **you** a renewal notice or an expiry notice.

A renewal notice will confirm the terms on which **we** will renew **your policy**.

An expiry notice will advise **you** that **we** will not renew **your policy** and will advise **you** of the time and day **your** cover will expire.

When **we** renew **your policy**, **we** may choose not to offer optional covers.

If **you** have **agreed value** cover, **we** will review **your insured value** as part of **your** renewal notice and the updated amount will be noted on **your policy schedule**.

You must check all the details recorded in the renewal notice and tell **us** immediately about any changes to the information **you** provided **us** when **you** took out **your policy** and any changes that have occurred during the term of **your policy**; for example, changes to the **insured property**, the address where the **insured property** is kept, and the people covered by **your policy**.

Any changes to **your** information may cause **us** to change **our** decision to offer renewal of **your policy** or the terms on which **we** offer such renewal. If **you** do not tell **us**, **we** may refuse or reduce **your** claim and/or cancel **your policy** as permitted by law.

To make changes to any of **your** details, please call **us** on **13 YOUI (9684)** before the renewal date shown on **your** renewal notice.

If **we** send **you** a renewal notice, please read it carefully. **We** will normally automatically renew **your policy** on the terms specified in that notice, which may not include optional covers that appeared in **your** expiring **policy**. **We** will normally continue to debit the applicable premium from the payment account **you** gave **us**, unless **you** call **us** on **13 YOUI (9684)** and ask **us** not to renew **your policy**. Alternatively, **you** can ask **us** to opt **you** out of automatic renewal of **your policy**, and **we** may permit **you** to do this. If **you** send **us** a written request to cancel this automatic renewal, **we** will call **you** to ensure **your** interests and privacy are protected and to verify **your** request.

Code of practice

We are a signatory to the General Insurance Code of Practice (the Code). The Code sets standards for insurers that cover buying insurance, making a claim, customers experiencing financial hardship, complaints, and customers experiencing vulnerability. **We** encourage **you** to tell **us** if **you** are experiencing vulnerability, so that **we** can best assist **you**.

The Code Governance Committee is an independent body which monitors and enforces the Code and has powers to impose sanctions on Code subscribers for non-compliance.

Should **you** require more information or a copy of the Code, go to www.codeofpractice.com.au or contact **us**.

As part of the Code and **our** commitment to **you**, if **you** are not completely happy with this product or **our** service, please tell **us** about it (refer to the What If I Have a Complaint? section).

The Code does not form part of **your** contract of insurance.

What if you need to claim?

Immediately following an **incident**, always make sure that **you** and others at the scene are safe. Call 000 if necessary; for example, if someone has been injured and requires medical attention.

To make a claim, call **us** on **13 YOUI (9684)** or go to www.youi.com/claiming.

When **you** claim, it can only relate to one **incident** and **you** cannot include multiple **incidents** in one claim. If there is more than one **incident**, a separate claim will need to be submitted and the relevant **excess/es** will apply to each and every claim.

To understand **your** claim better, **we** may need to appoint an investigator to speak with **you**. If this occurs, **we** will contact **you** and supply **you**, in writing, the name and contact details of **our** investigator. **We** will explain the investigation process to **you** and always provide avenues for **you** to bring up any concerns **you** have with the investigation.

In summary, section 54 of the Insurance Contracts Act 1984 (Cth) prevents **us** from refusing a claim because of something the policyholder or some other person has done, or not done, after the **policy** was entered into, unless that thing caused or contributed to the loss. But **we** can reduce the claim by an amount that fairly represents its prejudice as a result of the thing that was done or not done.

Authorised persons on your claim

If **you** want to authorise someone to manage **your** claim, such as a family member, then **you** need to tell **us** and **we** need to agree.

The authorised person cannot have a conflict of interest; for example, the authorised person cannot be a repairer for **your** claim.

Responsibilities when you make a claim

These responsibilities must be fulfilled when **you** claim; if they are not, **we** can reduce or refuse **your** claim.

1. Allow **us** to view any damaged goods or property that **you** are claiming for. Do not repair, sell or dispose of any property prior to advising **us** of the damage and allowing **us** the opportunity to assess the damage. This includes providing **us** the opportunity to assess unsatisfactory repairs that need to be rectified, unless emergency repairs are required to prevent further loss or damage to the **insured property**.
2. Make a report to the police as soon as becoming aware of the **incident** covered by **your policy** or after being requested by **us**, and obtain an incident number from them if:
 - any **insured property** was lost or subject to theft, attempted theft, or malicious or intentional damage; or
 - the law requires **you** to do so.
3. Do not leave the scene of an **accident** until lawfully allowed to do so. This includes any **accident** which caused personal injury or where public or private property was damaged.
4. Do not admit liability or fault, nor offer to pay for any damages caused by any **incident** covered by **your policy**.
5. Send to **us** copies of any demand or claim **you** may receive, as soon as practically possible, arising out of any **incident** covered by **your policy**.
6. Advise **us** if **you** are aware that any person is charged by the police in relation to the **incident** that **you** are claiming for.
7. Notify **us** if **you** have any other policy of insurance, warranty or guarantee which provides cover or indemnity for a claim **you** have made under **your policy**.
8. Assist **us** in taking or defending legal action in **your** name, including providing statements to legal representatives and appearance at trial or any other court proceedings.
9. Give **us** full co-operation and comply with all **our** requests in relation to **your** claim; for example:
 - allowing **us** to complete repairs or replacements to the **insured property** as soon as practically possible. Additional costs that arise because **you** or anyone acting on **your** behalf delays **us** in completing repairs or replacements, such as not allowing **us** access to the **insured property**, will not be covered unless those delays were outside of **your** or their control;
- supplying all information to the best of **your** knowledge, completely and honestly about:
 - the **incident** giving rise to the claim; and
 - **you** and anyone else covered under **your policy**;
- providing assistance needed to recover **our** costs from other parties;
- promptly providing any information, written statements, evidence and help **we** may need in defending, prosecuting and investigating the claim. Such information includes:
 - phone and banking records;
 - a copy of the **driver's driving** history from the local transport bureau; and
 - a copy of **your** insurance claims history from **your** previous insurers;
- attending an interview with **our** assessor or investigator;
- assisting any agents appointed by **us**, such as solicitors; and
- attending court to give evidence.
10. Tell **us** each and every time when **you** submit a claim under **your policy** if **you** are registered for GST at the Australian Taxation Office, and the percentage of input tax credit that **you** are entitled to claim.
11. Pay for the additional costs where the repair results in the **insured property** being in a better condition than it was before the **incident** covered by **your policy**; for example:
 - Parts of the engine were damaged and required repair. However, due to the condition of the engine, unrelated to the **accident**, a replacement engine was required. **You** will pay for the difference in costs between the repair and replacement.

- The bonnet of the **car** was damaged and required repair. However, due to its deteriorated surface condition unrelated to the **accident**, a replacement bonnet was required. **You** will pay for the difference in costs between the repair and replacement.

12. Complete all repairs or replacements to the **insured property** as soon as practically possible if **we** settle **your** claim by paying **you**. Additional costs that arise because of delays in completing repairs or replacements will not be covered unless those delays were outside of **your** control or that of anyone acting on **your** behalf.

How we settle your claim

The most **we** will pay is either the **agreed value** or the **market value** noted on **your policy schedule**, plus any applicable amounts under the Extra Cover section, and any additional amounts under any optional covers which have been added to **your policy**.

1. If the car or unbraked trailer is repairable

If the **car** or **unbraked trailer** is not a **total loss**, **we** will settle **your** claim by repairing the **car** or **unbraked trailer** if **we** can.

The circumstances in which **we** may be unable to repair the **car** or **unbraked trailer** include:

- if parts needed for the repair are not readily available;
- if the pre-**incident** condition of the **car** or **unbraked trailer** prevents **us** from repairing it; for example, a previous write off;
- if the repair will take a significant amount of time; for example, due to availability of service providers; or
- if **you** have Optional Cover: Choice of Repairer and **we** cannot agree with **you** or **your** chosen repairer about the quote or the proposed repair method.

If **we** cannot repair the **car** or **unbraked trailer**, **we** will pay **you** an amount equal to the reasonable cost that **you** would incur to repair the **car** or **unbraked trailer**, up to the limits noted in **your policy**. **We** will undertake a search of the market to determine what this cost would be in

your area, based on factors including comparison quotes from repairers.

We can use a combination of the above settlement methods if **we** are able to partially repair the **car** or **unbraked trailer**.

2. If the car or unbraked trailer is a total loss

If the **car** is a **total loss**, **we** will pay **you** the **market value** or **agreed value** of the **car**, depending on the cover shown on **your policy schedule**.

If the **unbraked trailer** is a **total loss**, **we** will pay **you** the lesser of the **market value** of the **unbraked trailer** or \$1,500.

The **market value** is determined by **our** qualified assessors using industry pricing guides, taking into account the make, model, age, condition, and mileage of the **car** or **unbraked trailer**.

If the **car** qualifies for New Car Replacement, **your** claim will be settled under that cover.

Once **we** pay a claim for a **total loss** of the **car**, **we** will cancel **your policy**. This is because **we** will have fulfilled **our** contract to **you** by making this payment.

3. If you are claiming for accessories and modifications

If **you** have a **market value policy**, factory fitted **accessories** are included in the **market value** of **your car**. The most **we** will pay to repair or replace any after factory **accessories** and **modifications** is the amount noted on **your policy schedule** for After Market Accessories unless they are disability or campervan/motorhome **modifications**.

If **you** have an **agreed value policy**, any **accessories** and **modifications** are included in the **agreed value** of the **car** unless they are disability or campervan/motorhome **modifications**.

The most **we** will pay to repair or replace any disability or campervan/motorhome **modifications** are the amounts noted on **your policy schedule** for Disability Modifications and Campervan/Motorhome Modifications.

If **we** can, **we** will settle a claim for the **accessories** and/or **modifications** by:

- repairing the **accessories** and/or **modifications** if it is both possible and economical for **us** to repair because the cost of repair is less than the cost of replacement; or
- replacing the **accessories** and/or **modifications** if it is either not possible or not economical for **us** to repair because the cost of repair is more than the cost of replacement.

The circumstances in which **we** may be unable to repair or replace the **accessories** and/or **modifications** include:

- if parts needed for the repair are not readily available;
- if the **accessories** and/or **modifications** being replaced are not readily available;
- if the pre-incident condition of the **accessories** and/or **modifications** prevents **us** from repairing them;
- if the repair will take a significant amount of time; for example, due to availability of service providers;
- if **you** have a **market value policy** and the cost of repair or replacement of the after factory **accessories** and/or **modifications** exceeds the amounts noted on **your policy schedule** for After Market Accessories;
- if **you** are claiming for disability or campervan/motorhome **modifications** and the cost of repair or replacement exceeds the amount noted on **your policy schedule** for Disability Modifications and/or Campervan/Motorhome Modifications;
- if the **car** is a **total loss**; or
- if Optional Cover: Choice of Repairer has been added to **your policy** and **we** cannot agree with **you** or **your** chosen repairer about the quote or the proposed repair method.

If **we** cannot repair or replace the **accessories** and/or **modifications**, **we** will pay **you** an amount equal to the reasonable cost that **you** would incur to repair or replace the **accessories** and/or **modifications** up to the amount/s specified on **your policy**. **We** will undertake a search of the market to determine what this cost would be in **your** area, based on factors including comparison quotes from repairers.

If **you** have an **agreed value policy** and the **car** is a **total loss**, **your** claim for **accessories** and/or **modifications** (other than disability or campervan/motorhome **modifications**) will be settled by **us** paying **you** the **agreed value** of the **car**.

If **we** replace the **car** under New Car Replacement cover, **we** will replace the **accessories** and/or **modifications** if **we** can. If **we** cannot replace the **accessories** and/or **modifications**, **we** will pay **you** an amount equal to the reasonable cost that **you** would incur to replace the **accessories** and/or **modifications** up to the amount/s specified on **your policy**.

4. How we do repairs

If **your** claim is accepted and the damaged **car** can be repaired, **we** will arrange for **your car** to be repaired at a member of **our** national repair network, unless **you** have Optional Cover: Choice of Repairer. **Our** network of repairers has the capability to provide quality, safe repairs to get **you** back on the road as soon as practically possible.

Parts used in repair

Where **we** authorise repairs, a combination of original manufacturer, used or other fit for purpose replacement parts can be used.

When it comes to any non-mechanical parts required for the repair of **your car**, please note:

- If the **car** is less than 3 years old or still within the manufacturer's standard new car warranty, **we** use genuine new parts where available. If genuine new parts are not available, **we** will use a quality recycled parts.

- If the **car** is more than 3 years old and outside of original manufacturer warranty, **we** use parts consistent with the age and condition of the **car**, provided it:
 - preserves or improves the safety and structural integrity of the **car**;
 - does not adversely affect the way **your car** looks after it has been repaired; and
 - complies with the manufacturer's specifications and applicable Australian design rules.

When it comes to any mechanical parts required for the repair of the **car**, please note:

- If the **car** is less than 3 years old, **we** use new genuine mechanical parts where available.
- If the **car** is more than 3 years old, **we** use parts consistent with the age and condition of the **car**.

Recycled mechanical parts will not be authorised under any circumstances.

Regardless of the **car's** age, **we** may use non-genuine parts for windscreens, sunroofs, window glass, radiators, and air conditioning components.

If a part is unavailable in Australia, **we** will pay the cost of surface freight (not airfreight) from the nearest source of supply. **We** will not pay for any additional hire car costs beyond the cover provided by **your policy**.

Car Identification

Where the **car's** identification (such as its compliance, build or VIN plate) has been damaged, **we** will try to source a replacement from its manufacturer.

If **we** cannot source it, **we** will attempt to obtain a letter from the manufacturer to confirm the **car's** identity and that its original identification has been damaged.

We will still repair the **car** without replacing any damaged identification unless an alternative form of identification is required by law.

5. New Car Replacement

If the **car** is a **total loss** within the first 24 months:

- since it was **registered** in **your** or a **listed driver's** name and had less than 500 kilometres on the odometer at that time; and
- it had travelled less than 40,000 kilometres since it was first **registered**;

we will replace the **car** with a new car of a make, model and specification as close as possible to the insured one. If there is no readily available replacement, **we** will pay **you** a cash-equivalent amount. **We** will determine the cash-equivalent amount based on industry pricing guides.

6. Salvage

The damaged property **you** claim for becomes **our** legal property when **we** settle **your** claim; for example:

- where **we** settle the **car** for the full **insured value**, the **car** becomes **our** property, including the unexpired portion of its registration fees and Compulsory Third Party insurance premium; or
- where **we** settle **your** claim by replacing or paying for parts on the **car**, the parts being replaced become **our** property.

7. Our right of recovery

After **we** pay a claim under this **policy**, **we** can decide to commence or defend legal action in **your** name to recover money from the person or entity that caused loss, damage or liability. **You** must give **us** all the help **we** need to do this; for example, answering any relevant questions **we** ask. If **we** recover money that belongs to **you** and was not part of the claim **we** paid, **we** will give this to **you**.

8. Rights of a financier

For any payment **we** make to settle **your** claim, **we** may first pay in full any sum owed to a financier of the **insured property** from the settlement amount. If **we** do this, any remaining balance will be paid to **you**.

Code of conduct

Youi is a signatory to the Motor Vehicle Insurance and Repair Industry Code of Conduct.

Quality guarantee

If **we** authorise repairs with a repairer, **we** will guarantee the quality of those repairs for as long as **you** or a **listed driver** are the owner of the **insured property**.

Our Quality Guarantee will not apply to any repairs to the **insured property** that **we** do not authorise.

Excess

For each and every claim **you** make under **your policy**, **you** are required to pay an **excess**. **Your excess** will be the combined total of the basic **excess** amount and any other applicable **excess**.

If **you** claim under more than one cover for the same **incident**, **you** will only need to pay one **excess**. The single **excess** payable is the highest **excess** amount payable under the relevant covers.

If **you** have more than one policy with **us**, **you** will only need to pay one **excess** if **you** claim from more than one policy for the same **incident**. The **incident** for which **you** claim must arise out of a single event which occurs at the same address and time. The single **excess** payable is the highest **excess** amount noted on the relevant policies.

Where the **incident** is completely the fault of a **third party** and **you** can provide their full name and two of either their phone number, address, driver's licence number, or the registration number of their vehicle that was involved in the **incident**, **we** will waive payment of any **excesses**.

1. Basic excess

The basic **excess** is the amount **you** must pay in relation to each and every claim made under **your policy**. **We** may offer **you** the option of selecting the amount of **your** basic **excess** when **you** purchase or amend **your policy**. The basic **excess** will be shown on **your policy schedule**.

2. Reduced basic excess for windscreen claims

We may offer **you** the opportunity to choose to pay extra premium to reduce the basic **excess** that applies to claims that solely involve **your** windscreen, window glass or sunroof glass. The **excess** that will apply to windscreen claims will be shown on **your policy schedule**.

3. Youi Assist basic excess

No **excess** is applied to the first two claims per **contract period** under this benefit. For each and every claim thereafter **you** are required to pay a basic **excess** as shown on **your policy schedule**.

4. Additional excess

We may require an additional **excess** to be paid in certain circumstances under **your policy**. The exact situations where this would apply, and the amount of the additional **excess**, will be shown on **your policy schedule**.

In the event of a claim being made under circumstances as detailed on **your policy**, this **excess** would apply in addition to any other **excesses** that would normally apply to the claim.

5. Driver specific excess

If **we** accept **your** claim for an **incident** covered by **your policy** where the **car** was **driven** with **your** or a **listed driver's** permission, or by any other person who meets the criteria set out in the **excesses** section of **your policy schedule**, a **driver** specific **excess** becomes payable. For example, this could include unlisted **drivers** (i.e. **drivers** not noted as a **regular driver** or **listed driver**) or young **drivers** (whether or not they are noted as a **regular driver** or **listed driver**). The criteria for the **driver** specific **excess** and amount of this **excess** will be shown on **your policy schedule**.

Where they are applicable, the **driver** specific **excess** amounts will be added to any other **excess** amount that may apply to the claim. These **excesses** will not apply when the **car** is being **driven** by a service provider.

For some **cars**, **we** may restrict cover to the **regular driver** and **listed drivers** only. If cover is restricted in this way, there is no cover for any other **driver**, irrespective of **excesses**, and it will be clearly shown in the Special Conditions section of **your policy schedule**.

Actions of others

Where an exclusion applies because a policyholder or **listed driver** caused the claimed **incident**, **we** will review the claim and if **we** are reasonably satisfied that another policyholder or person with a financial interest in the **insured property**:

- was a victim of domestic violence, coercion, mental illness, or substance abuse, in respect of the claimed **incident**; and
- did not contribute to, assist, facilitate or cause the claimed **incident**;

we will settle the claim for that particular person, but only to the extent of their financial interest in the **insured property** or legal liability, and if the claimed **incident** otherwise meets the terms of this **policy**.

Fraudulent claims

We do not pay fraudulent claims. If **you** submit any fraudulent information or documentation relating to a claim, **we** will reject **your** claim and cancel **your policy** as permitted by law.

Financial Claims Scheme

If **we** were unable to meet **our** obligations under **your policy**, a person entitled to claim under insurance cover under **your policy** may be entitled to payment under the Financial Claims Scheme, access to which is subject to eligibility criteria.

Information about the Financial Claims Scheme can be obtained from www.fcs.gov.au.
